Product Summary

Stacked base on swirl feet with a sculpted gold leaf stem influenced by 18th century caryatid element. Umber glaze adds to the gold leaf shade.

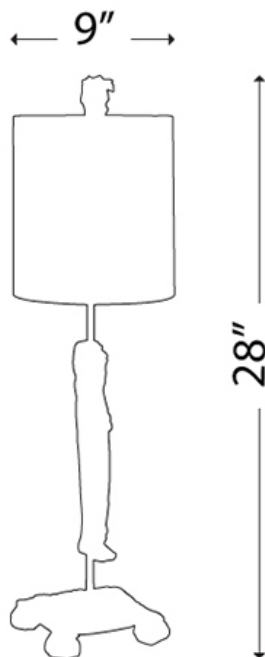

Product Description

CARYATIDÂ NOUN: architecture female gure used as a pillar to support the entablature of a Greek building. My love of Classical Greek architecture inspired the Caryatid lamp. A mix of the classical with a hint of the modern. A perfect combination. - Paul Gr uer
